

Milton Herd, AICP, is President of Herd Planning & Design, Ltd., a planning consulting firm based in Leesburg, Virginia, which he founded in 1991.

He has over 30 years of award-winning experience as a community planning consultant and facilitator, specializing in collaborative planning processes for comprehensive plans, master plans, strategic plans, and zoning ordinances. He has served more than 70 localities throughout Virginia, including Loudoun County and several of its towns, as well as many private clients.

Mr. Herd holds Bachelors and Masters degrees in Architecture, and is a member of the American Institute of Certified Planners (AICP).
